# MAGDALEN ACADEMY – NEWSLETTER 1

Friday 12th January 2025

Every Fortnight

Parents as Partners

Dear Families

I hope that you all had a fabulous summer break. As you will have seen, we currently have building work happening. This is to remove the old mobile and it will be replaced with a new building for the Specialist Resource base we will be running as well as a classroom for our year 5 and 6 children. Work was due to start later in the year but was unexpectedly bought forward over the summer.

Initially, we relocated the Year 5/6 children to one of the conservatories however, some concerns have been raised over the structure which are currently being investigated. We have now set up the headteachers office and the sensory room as learning spaces for the year 5 and 6. Yesterday was their first day using this space and I was really impressed with their maturity and resilience. Further temporary options are being investigated.

With all the work happening, I have been really pleased with how the children have coped with the changes and settling into the temporary change of spaces. As you can imagine the large machinery and the demolishing of the mobile are causing lots of excitement for the children!

We are continuing to keep all our routines as much as possible.

Any concerns please let us know.

Mrs Arrowsmith

Executive Head

The children in Robins have an activity linked to Maths.

On ParentPay, if your child is in Pre School & Reception we are asking for a donation of 20p per day, so £1 per week.

The Autumn Term contribution is £13; this is now payable on ParentPay.

Forms will be coming home next week, for all parents to complete. We have changed over to a new system during the holidays and now seems a perfect time to ensure that all the information we have is up to date. I will also be sending home a permissions form so you can provide consent again for events and activities.

Thank you in advance for your support.

Welcome to the first SEND Shout out of this academic year. A section of the newsletter addressing important and helpful information relating to SEND (Special Educational Needs and Disabilities).

This term we are talking about 'Our Universal Offer'.

The Universal Offer incorporates a whole host of provision that all children have access to at our school regardless of whether they have a Support Plan or EHCP in place. These provisions and/or reasonable adjustments can support several areas including anxiety, learning or physical needs and concentration.

Zones of Regulation – daily check/toolkits/lessons

Visual Timetables

Daily handwriting/fine motor skills practice

Whole class movement breaks

Daily number practice (Maths meetings)

Dyslexia and Autism friendly classrooms

Dual Coding

Independent access to manipulatives for maths

Access to the sensory room

Access to the trampette

Access to concentration aids (fidget toys)

Transition booklets and visits

Discussions with HT or SENCo regarding reasonable adjustments for uniform

As always, if you have any concerns around your child's learning needs, please contact their class teacher who can offer support and advice in the first instance and then signpost to either myself or Mrs Clarkstone if needed.

Lisa Palmer

Executive Deputy headteacher and SENCo
