MAGDALEN ACADEMY – NEWSLETTER 17

12th June 2026
Every Fortnight

Parents as Partners

Dear Families,

This half term there is always a focus on assessments for Year 1-4. This week children in Year 1 have undertaken their government phonics screening check. Although we do not receive the pass mark just yet, the children have made excellent progress.

Year 4 have also been busy completing the government Multiplication Check. The children are given 25 questions, to answer in a time limit, testing their times tables knowledge up to 12 x 12. The children have been working really hard on TTRS and look forward to receiving their results.

All children in Year 2,3,4 and 5 have completed Pixl Assessments. This is internal data that helps us to identify how children are progressing and what support children might need moving into the next year group.

We are really pleased with how hard all the children have worked. Well done everyone.

Regards

Mrs Louise Arrowsmith

Executive Head

Chief Executive Officer:

Mr Glyn Hambling M.Sc.B.Ed. (Hons), , N.P.Q.H

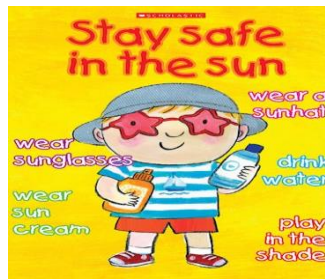

Please can you send in your photos of our Year 6 children,
from birth to present day, for the leaver's assembly.

We have had 3 lots of photos, just 2 needed.

Can they be sent via email to office@mag.unity-ed.uk,

Then Miss Stares will do her magic!

As the hot weather arrives, please can you apply a long lasting suncream to your child before they arrive at school.

All children should also have a sun hat as they will be going outside during the day.

In addition, please can you ensure that they have a water bottle with them every day to stay hydrated.

Thank you
